

COOKIE POLICY

When you visit our website <https://www.arenamedia.com/> some cookies or other tracking technologies may be stored on your device (computer, tablet or smartphone).

This Cookie Policy contains information on what cookies are, the type of cookies used by HAVAS S.A. on the website <https://www.arenamedia.com/> and the purpose of such use, and your choices regarding cookies.

This Cookie Policy should be read together with the Havas Data Protection Policy and Terms of Use.

WHAT ARE COOKIES AND OTHER TRACKING TECHNOLOGIES?

Cookies are small text files which contain an amount of data generated when you browse on a website and installed in your internet browser. The other tracking technologies, such as web beacons, pixels or clear gifs, work similarly to cookies.

Cookies and other tracking technologies are used to monitor your activity on a website by enabling us (through first party cookies) or thirds (through third party cookies) to collect information about how you use the website and enhance the way it works and your visit on our website.

There are two types of cookies: session cookies and persistent cookies.

- Session cookies are temporary and therefore automatically deleted from your device every time you close your browser;
- Persistent cookies remain on your device for a period of time specified in the cookie and are activated every time you visit the website which installed it.

YOUR CHOICE REGARDING COOKIES

You have a number of options to control or limit how we or third parties use cookies:

- You can choose to delete all or some cookies from your device through your browser settings;
- You can choose to prevent cookies from being installed on your device through your browser settings;
- You can enable or disable cookies we use on our website by clicking on the “cookie setting” at the bottom of our website.

To learn more on how to manage cookies usage from your browser, please follow the following links for each browser:

- [Internet Explorer](#)
- [Chrome](#)
- [Safari](#)
- [Mozilla Firefox](#)
- [Opera](#)

Please note that if you choose to block or de-activate some or all cookies we use, our website might not work properly, and you might not be able to enjoy all of the services and functionalities provided through the use of cookies.

If you want to learn more about cookies and how to manage them, please visit the following websites: www.youronlinechoices.eu and www.allaboutcookies.org.

TYPES OF COOKIES USED ON THIS WEBSITE

Strictly Necessary

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms.

You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

FIRST PARTY

Host	Name	Description			
		Lifespan	Path	Secure	Http only
.www.arenamedia.com	OptanonConsent	This cookie is set by the cookie compliance solution from OneTrust. It stores information about the categories of cookies the site uses and whether visitors have given or withdrawn consent for the use of each category. This enables site owners to prevent cookies in each category from being set in the users browser, when consent is not given. The cookie has a normal lifespan of one year, so that returning visitors to the site will have their preferences remembered. It contains no information that can identify the site visitor.

Performance

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site.

All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.

FIRST PARTY

Host	Name	Description			
		Lifespan	Path	Secure	Http only
.arenamedia.com	_ga	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports. By default it is set to expire after 2 years, although this is customisable by website owners.			
		2 years	/		
.arenamedia.com	_gat	This cookie name is associated with Google Universal Analytics, according to documentation it is used to throttle the request rate - limiting the collection of data on high traffic sites. It expires after 10 minutes.			
		a minute	/		
.arenamedia.com	_gid	This cookie name is associated with Google Universal Analytics. This appears to be a new cookie and as of Spring 2017 no information is available from Google. It appears to store and update a unique value for each page visited.
